Neighbors moves to Wednesday

Hello neighbor. Well, it has been a long, very busy summer. I apologize for not being around, but with vacation and family obligations, along with settling into my new position as features editor here at The Recorder, I've been trying to find the time the column deserves.

Therefore, at least for the foreseeable future, Neighbors will run once a week — every Wednesday.

OUR NEIGHBOR DILLON CHEVROLET in Greenfield is supporting Greenfield Recreation Department through the Chevrolet Youth Soccer Program and will include both monetary and equipment donations during the 2016 youth soccer season. Also thanks to Dillon, some youth soccer players will have the opportunity to attend a free youth clinic with professional soccer coaches.

“We are looking forward to a great season with Greenfield Recreation Department that will be filled with exciting games and an enhanced experience for the teams through the equipment and cash donations,” said Jay Dillon. “Chevrolet Youth Soccer is just one example of how committed our dealership is to supporting the youth and families in our community.”

Thank you for your continued support Jay and Dillon Chevrolet!
