Dear Winter Carnival Supporter,

Winter Carnival has been a long standing tradition within Greenfield, dating back to 1922, which makes this years' celebration the 94th! Since its very beginnings, this event has brought the community together in celebration, in a time of year that can be long, cold, and dreary. While we may not be able to ride down the toboggan and ski jump chutes of yesteryears, we can race down Beacon Hill in our homemade cardboard sleds or ice skate on our outdoor Ice Rink. Although a lot has changed in the past 94 years, one thing remains constant, and that is the support of this event by local businesses and residents. As another New Year approaches, it is time to start thinking about how you can become a part of this magical event.

The 2016 Winter Carnival celebration will be held February 5th-7th. The theme will be "Winter is Magic". We are seeking financial support from our local businesses. We ask for donations of any size and kind including monetary and gift certificate, product, or service donations. Please see our attached sponsorship levels to see what your sponsorship dollar can do for you. Your contributions support this event by helping to cover expenses incurred by the Recreation Department. This includes fireworks, prizes, publicity, hay rides, magician, arts and crafts, and the many other associated expenses. As you may know, the Recreation Department receives no financial support from the town budget for special events, yet thousands of members of the community benefit. We greatly appreciate any and all contributions. It is generous businesses like you that keep this event alive. To be included in print materials, please return your sponsorship form by December 11th.

If you have any other ideas about how your business can become more involved in our department and this event, please call the Recreation Department. Thank you for your support of this event as it truly "warms the winter" for so many.
