### A Message from the Director

Spring is close, summer is just around the corner, and we couldn't be more excited for the season ahead. This is the time of year when our parks begin to buzz with energy; the sound of kids on playgrounds, neighbors reconnecting after a long winter, families gathering under pavilions, and laughter carrying across open fields. These aren't just activities. They're the moments that shape childhoods, strengthen friendships, and build community.

Our parks and programs are more than places to play; they are where life happens. They're where children gain confidence, teens find their first job, families make memories, and neighbors become friends. They are where we come together, celebrate traditions, and create new ones.

This season, we are proud to offer a wide range of programs and events designed to bring people of all ages and interests together. Whether you're joining us for summer camp, exploring a new sport, attending a special event, enjoying the swim area, or simply spending time outdoors, there is something here for you.

Behind the scenes, our dedicated team has been working hard to prepare for another exciting and welcoming season. We also look forward to continuing our fundraising efforts in support of our annual fireworks celebration. A tradition that brings our entire community together each year.

Registration is now open, and we encourage you to sign up early and join us in making the most of the months ahead.

Thank you for being part of what makes Greenfield such a vibrant, connected, and caring community. We can't wait to see you in the parks.

With appreciation,  
Christy Moore, Recreation Director

A 1:5 staff to camper ratio will ensure your little discoverers will get the attention they need. Through specially trained staff, age-specific safety precautions, and a fun curriculum, we create a nurturing environment that will aid in the physical, social, and emotional development of your child.

### LEADERS IN TRAINING (GRADES 7-10):

Our oldest campers will work to develop their leadership, teamwork, and decision making skills through this camp based training program. This program also helps your young leaders prepare for future work as camp counselors. Leaders will work closely with our experienced staff who will guide them in their journey. Your child will serve as a role model for the entire camp. Only those truly committed to being a positive role model and developing their leadership skills should register.

## WILD FLOWER WALKS

The forest surrounding our Green River Swim Area is a unique treasure among its natural setting. Nature enthusiasts are encouraged to join this walk as we explore the native plants in the area including some unique spring ephemerals. Wear sturdy, comfortable walking/hiking shoes, and layers of clothing to accommodate the weather. Although much of the time will be on relatively flat ground, the hike is of moderate difficulty. Participants are encouraged to bring a water bottle and your favorite means of identifying native plants

There are a pair of Wednesday walks (two weeks apart) OR a pair of Sunday walks (two weeks apart); you may choose EITHER Wednesdays or Sundays. The goal of these walks is to see the sequence of growth in a variety of spring ephemerals.
