

Donate Homemade Masks

Help protect your community and stop the spread of COVID-19

City of Greenfield is Collecting Homemade Mask Donations

Mask specifications from City of Greenfield officials:

- 100% cotton is best
- Multiple layers of fabric
- Do not include any metal within the mask
- Ear straps or ties for behind the head
- Must be able to be washed and dried without changing size or shape

We know Greenfield is filled with talented creators and we need your help! Please consider donating your homemade cotton masks to the City of Greenfield to distribute to our community members in need. With Greenfield's new advisory on wearing face coverings in public, we want to ensure that anyone who needs a mask can get one!

Thank you to all of those who are making masks and/or providing material to the cause.

Donations can be dropped off at the Emergency Operations Center located in the John Zon Community Center, 35 Pleasant Street Monday - Friday, between 9:00am and 4:30pm.

If you are in need of a face mask, please call the Community Hotline at 413-775-6411
